LOYOLA VARSITY DOUBLEHEADER SLATED FOR HOMECOMING

Everybody could go away happy this weekend, especially if they are Warrior boosters attending a full slate of games during Loyola's Homecoming weekend.

Saturday afternoon's two main attractions take place on the football field next to the athletic complex when Bill Betts' varsity soccer eleven and George Dixon's senior footballers display their talents. Betts' booters will take to the field at noon to host Bishop's Gaiters. The last time the two clubs met in Lennoxville, the powerful steamroller that Betts has assembled rolled over the Gaiters 8-0. The soccermen, currently in first place in the OSL soccer wars were held to a frustrating 1-1 tie by RMC in Kingston last weekend. That frustration should find some release in a win over the visiting Gaiters. Loyola is undefeated as is RMC but the cadets have been held to a pair of draws.

The following weekend Loyola and RMC will meet in a showdown at Loyola for the OSL crown. The Warrior's last held the title two years ago - sharing it with RMC. They want it for themselves and they want it bad.

Randy Milburn found his place as a fullback Friday night as he led the Warriors on a successful raid on to Sir George Williams University territory. Milburn scored three touchdowns on runs of 32-25 and 1 yard , while the Warriors romped to a 25-1 win at Verdun Stadium.

The Georgians keyed on veteran halfback Frank Belvedere and Milburn, who joined the Warriors for the first league game three weeks ago broke loose. Depth, finally began to show its worth as the Loyola back-up men came through with a sterling performance. Missing five defensive regulars the Warriors shut-off the Georgians ground game and allowed them little via the pass. The offensive line began working as a unit and sprang Milburn loose repeatedly.

It was the first win of the season for the Warriors after the defending divisional champions crippled by injuries lost their first two starts. At 2:00 p.m. Loyola will meet winless Université de Montreal Carabins and now "they have started to look like a football team', the coaching staff is looking for another win.

But the Warriors will have their work cut out for them. Université de Montreal unleashed a surprisingly powerful ground game (250 yards) that kept Macdonald bottled up for nearly fifty minutes last weekend.

But the Carabins wilted in the last six minutes of the game as Macdonald used the long pass to score a last play 20-16 victory.

The grid Warriors aren't quite out of the race yet A couple of wins and a loss by RMC and Macdonald could put Loyola in second spot and a playoff berth for the divisional laurels. If not winners, the Warriors could be the big spoilers.

The day's sporting activities will start when J.V. soccermen take on visiting Marymount High School at 10:00 a.m.

The only Warrior team not at home are the J.V. Football Braves who meet Université de Québec at Montreal, at Jarry Park.
